

It Is Now A CRIME To Refuse The mRNA Injection In France

Wed 10:12 am +01:00, 21 Feb 2024

posted by ian

ian. They did the same during the “covid”, scamdemic. Countries were targeted one at a time to test the water for the self appointed in charge. This is a trial for the WHO WEF World government vermin eradication programme. France will be a good choice for them, as the cops have no qualms about shooting women in the face with flash bangs. Of course, who knows who these “Cops” are, or where they’re from, they wear full combat gear to kill civilians. That reminds me of somewhere else which I can’t remember at the moment. It doesn’t seem likely that these parasites will give up soon. They want it all for themselves, with just enough peasant population left to service their copious wants and needs.

By Mac Slavo

The ruling class of France just passed a law that would make it illegal to question and refuse the mRNA injections. French slaves could be fined and imprisoned for refusing to get injected with mRNA (modRNA) “vaccines,” and questioning the master’s commands.

Dr. Kat Lindley

Today a law was passed in France qualifying any opposition to mRNA-LNP injections as a “sectarian aberration”. It carries a penalty of up to 3 years’

Violations of this law will carry a penalty of 45,000 euros and up to three years imprisonment. “It will not tolerate any criticism of the therapeutic treatments which will be recommended or made obligatory by the state,” tweeted Dr. Kat Lindley. “Any person who dares to openly criticize these therapies will be liable to fines and imprisonment.”

According to a report by Natural News, the totalitarian edict, known as Article 4, is a highly illiberal law that prohibits residents and citizens (those in the slave class) from saying anything bad about “therapeutic” treatments like mRNA shots that are either mandatory or just recommended by the French government. “Already, renowned doctors are being targeted, whom this article will silence,” said a French X account called Annie Arnaud. “France is taking a totalitarian run. Macron and his henchmen are followers of the WEF (World Economic Forum) and globalist policies.”

The Alternative View Presents

Date: 24 March 2024
Time: 11:00 AM - 3:30 PM
Location: The Assembly Rooms, Glastonbury, UK
Tickets and Info

Join us for the first The Alternative View Presents with Gary Fraughen

Gary will be sharing his research and speaking about many subjects including:

Blue shift radiation
Super fluid consciousness with servants
Savants and greed
Numbers in the cracks and crevices of the universe
The universal balance sheet of doing harm to others

"It is a catastrophe for the country where a majority of citizens no longer obey vaccine propaganda. Social unrest ahead." Unfortunately, many human beings are starting to realize that government is slavery and are getting restless.

Some are claiming that Article 4 has only been proposed, and has not passed into law just yet. "It's nonetheless a very important warning to everybody about how extreme fascist members of the WEF (World Economic Forum) and other globalists try to push their insanely sick ideas through everywhere, in all free countries," one account wrote.

Government IS Slavery: FDA Commissioner Declares "Misinformation" A Medical Risk

Another account wrote that Article 4 actually was adopted "in a 2nd vote," which means France is now a medical dictatorship where residents and citizens have to take the prescribed "medicine" the government gives them – and do it with an approving smile.

We have been experiencing an increase in medical martial law since the COVID-19 scamdemic. It is probably a great time to reevaluate if you are going to continue to be a slave to those claiming the right to rule you and seal your consent with a vote this November. The only way to break free is to first realize you are being ruled.

A Big Thank You

A big thank you to those of you who attended the AV13 Conference in Milton Keynes. It was fantastic to finally get back together and welcome old friends and newcomers to a very enjoyable and memorable event. We are already already working on the next AV events.

If you didn't make it to AV13 we now have the presentation recordings available.

Regards and best wishes.

The AV Team.
